

WASHINGTON D.C. — Congressman Walz is asking southern Minnesotans to share their thoughts on health insurance reform. In addition to sending the Congressman an e-mail or calling one of his offices, he is also encouraging constituents to fill out a survey on his website.

To fill out the survey, please [click here](#) .

Health care costs are rising higher than hardworking Minnesotans can afford. Congressman Walz traveled around southern Minnesota during August hearing from constituents about the need for health care reform. He is grateful to everyone who has taken the time to contact him and looks forward to continue to hear from southern Minnesotans on this important issue.
